NOW A WORD FROM OUR PRESIDENT

We've got a lot of new and exciting projects still to come this year. We have our banquet and trout pond behind us, and we are having great turn outs for our range clean ups and other range projects. I want to thank everyone for all their help that has been given to us and let you know that I appreciate all that you do for your club. Now, we're gearing up for the 4th of July fireworks booth and **Mike Donnelly** has graciously accepted the chairmanship again this year of this big event; so, I am asking everyone to pitch in and help **Mike** out at this year's event. We're waiting for the draw for our location this year. We've got more exciting pro-

jects coming up with our Laser Shot system as well as some exciting events with our newest partners, the IDPA. We'll be holding several pistol shoots between now and the end of the year. Check out our Facebook for dates of events. With everyone's effort we're having another great year with our club in all our endeavors. We can always use your help with any and all of our projects. Now is the time to get involved and help your club to grow even more. Thanks again to our great members and all the support that you have shown.

SUNSHINE

If you know of any member that is sick, or someone that has passed, or just anyone that might need a little encouragement note, give **Sue Brown** a call so she can get a card off to them. Call **765.2704** for **Sue**.

2011 NRA Dinner

We've got tickets for the **2011 NRA Dinner and Auction** to be held on **Thursday, June 9, 2011**, beginning at **5:00 p.m. at OT's Cookhouse at 205 N. 10th St., Taft**. Please join the NRA in keeping our firearms heritage alive and well. You can contact us for additional ticket information or please find enclosed the dinner information flyer. We need to support our friends at the NRA as they have always supported the Taft Sportsmen's Club. It's going to be an evening full of fun and surprises and giveaways. Come on and join in the fun.

MEMBER RECOGNITION

One of our members, **Craig Johnson**, an instructor at Taft College, was recently honored as a "Valley Great" running coach by Fresno State. Please take a look at the enclosed article from the Taft Midway Driller. Our congratulations go out to Craig.

TRAP RANGE

We're having our weekly shoots at the range on **Thursday afternoons** beginning at **4:30**. Kids 16 and under get to shoot for free. We'll have the Laser Shot out the range on **June 3**, and we'll be able to demonstrate and let everyone participate and show us their skills and have some fun. Also, a BBQ is slated on **June 3** after the shoot for members and non-members. We'll have some good eating - **\$6 for adults** and **\$4 for kids**. Come on out!
