Billy White said he can probably help with going and getting them and bringing them back.

John Miller asked if the High School Trap Program will haul their used cardboard up to cardboard bin and rake up the empties and put them in the main garbage can. Coleen Morris said she will pass the information along.

The youth shoot will be in the afternoon/evening this month due to the morning work party on December 14.

The meeting went well and the article in the paper seemed to really open their eyes to the positives the club provides to the community.

**New Business** – Melanie White wants to know what we want to be read for the Christmas Parade for our entry when we go by the review stand.

Tom Brown would like to develop a Christmas outreach program for the club. Wes Morris brought up it might be too late to create our own program this year, but it was universally agreed to help somewhere this year. Members will be contacting Sandy Koenig from the Fort and the City of Taft “Shop with a Cop” with a limit of \$1000. Jimmy Chitwood moved to approve the \$1000 limit and Billy White seconded the motion.

Tom Brown talked about the JC Chitwood Memorial Scholarship Fund and the possibility of the club donating some money towards their scholarships.
