Publicity – Wes created a Facebook event for the upcoming work party and will also send out a mass e-mail for it as well.

Trap Report – Wayne White reported a nice youth trap turnout for the second month in a row. Now that the Fireworks Booth is finished the new trap machine should be installed soon. Some more club members have come and looked at the new machine trailer and agree that if we are going to move the trailer around a lot, it needs to be larger.

Fireworks – Wes Morris gave a report on the income from the fireworks booth. We will have a more comprehensive profit report next month.

Wes Morris further recommended that next year we assign board members the responsibility of helping getting people to man the booth for certain days. Wayne White stated that having just one person to run the whole thing is more than we ought to ask out of one person and a committee needs to be formed to share the responsibility.

Junior Pheasant Hunt – Wes Morris reported that he contacted the insurance company and gave the rider to Tom Brown for the pheasant hunt landowner.

Action Shooters – Wes Morris reported that there was a nice turnout this month with about 42 shooters. They also ran a 50/50 raffle for Chris Goin (Jim Walsh's grandson) who has been diagnosed with cancer and raised \$205 for him.

.22 Action Shooters – Josh House reported that there were only six people last month. The next match is this month and they will be shooting again.
