**Board Meeting**  
**May 12, 2015**

President Jimmy Chitwood called the meeting to order at 6:30 p.m. Officers present were President Jimmy Chitwood, Vice President Billy White, Treasurer Karen Chitwood, & Secretary Wesley Morris. Board members present were Donny Pezer, Craig Johnson, Jeff Miller, Sandy Ross, John Miller, Tom Brown, Coleen Morris, & Chad Miller. Gary Morris was present as well.

Gary Morris gave a quick report about the skeet houses and things are quickly coming around.

MTC is renting the trap range on Monday May 18<sup>th</sup> and Billy White, Gary Morris, and Chad Miller will be able to go down and help them get set up and monitor them.

President Chitwood shared that the building fund CD is currently making approximately \$13 a month in interest and we cannot get to that money until December. The fence company has been paid with general fund money and it was agreed there was no reason to remove the CD money early. The Board will be looking into what to do with the money after it matures in December.

The new range signs were reviewed and the details to get them created and installed were approved. Wes Morris will have to create an online waiver and a mail in waiver to distribute before the July newsletter.

Billy White moved to donate \$125 to long time club member Ken Duvall's granddaughter Payton Duvall-Freymuller for her trip to South Korea for an Olympic .22 pistol competition. Chad Miller seconded the motion. The motion passed.

Karen Chitwood reminded the club that the fireworks booth will be at the Veteran's Hall this year. Wes Morris will get the highway signs changed as soon as possible.

Tom Brown mentioned that we might want to partner with Quail Forever in order to fix and develop some more guzzlers in the Temblor Range. Tom asked Wes Morris if Friends of NRA Grant money could be used for that and Wes thought it would be fundable. The Club will be seeing how we might be able to partner with QF.

Motion to adjourn by Karen Chitwood and seconded by John Miller. Meeting adjourned at 7:31 p.m.
